

HEAVY DUTY WELDED SHELF TRUCK

This range of fully welded steel shelf trucks is ideal for transporting items around your workplace, as well as storing them when they aren't in use. The truck is available in 4 or 5 shelves and 2 lengths to accommodate to your needs. Each truck is also fitted with 2 fixed and 2 swivel castors to allow for easy transportation. With recessed steel shelves, the load is fully retained and supported while being moved.
