

PURE LAPTOP CHARGING LOCKERS

Pure Laptop Charging Lockers - 1 door - 10 compartments

Designed with 10 different compartments behind one locked door, our Pure Laptop Charging Lockers are perfect for educational settings, including schools and universities. Designed in 13 vibrant door colours, and with enough space for laptops whilst simultaneously charging them using either UK 3-Pin or USB and/or USB-C. Alternatively, a storage only option is also available.

Manufactured in the UK using a carbon-zero process, these lockers the ideal storage solution.
