

PURE LAPTOP CHARGING LOCKERS

Pure Laptop Charging Lockers - 1 door - 15 compartments

This Pure Laptop Charging Locker is designed with 15 individual compartments secured behind one door. This allows for easy access to all the charging laptops simultaneously, making this locker ideal for school and university environments. 13 vibrant colours to ensure this locker fits in with your unique aesthetic. Select from UK 3-Pin, USB and/or USB-C, or even storage only.

Manufactured in the UK using a carbon-zero process, these lockers the ideal storage solution.
