## ACCESSORIES

We offer a wide variety of accessories that can be added in addition to your Retro Power Locker. Please contact our sales team to discuss how to implement these options onto your order.

- **Stands:** We understand the importance of maintaining a clean environment. That's why we offer colour co-ordinated stands to match your locker, making cleaning underneath simpler than ever
- **Sloping roof:** To prevent the build up of unwanted objects on top of the lockers as well as dirt, sloping roofs can be added onto your lockers. They also make cleaning the tops of the locker easier due to the sloped access
- **Brass card holders:** Make labelling compartments more stylish with the addition of our brass coloured card holders
