

# TUFF COIN RETAIN LOCKERS

TUFF coin retain Lockers are available in 4 different sizes, with up to 6 doors. They are the perfect investment for your business as they act as another source of income. The money user's place into the Locker is stored safely until emptied, gaining you an extra pound with each use. Each compartment comes with a secure shelf to prevent unauthorised access to compartments above or below. There are 7 available colours to match your company branding.
