

TUFF COIN RETURN LOCKERS

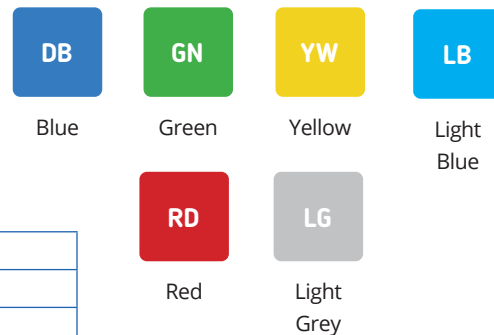

Our TUFF coin return Lockers are available in 5 different sizes and 7 different colours, this allows you to customise these Lockers to your company branding. All compartments come with a secure shelf, designed to prevent unauthorised access to the compartment above or below. Using coin return Lockers will prevent the loss of keys, as user's have to use their own money to unlock the Lockers, they are more likely to take more care of the key.
