

# ORGANISE YOUR CABINET WITH 600mm DRAWER DIVIDER KITS

Easily divide up your Euroslide drawer storage space to better house smaller tools, components and accessories. Each kit comes flat pack so you can configure each drawer to your requirements. Choose from kits that can create 4, 6, 10 or 16 compartments, that can be altered in 25mm increments inside the drawer. Suitable for 600mm wide Euroslide cabinets with 100mm, 150mm and 200mm high drawers.
